A LUNCHEON GUEST

ONE morning a number of the Teenie Weenies set off for the big woods to admire the early Spring flowers. The Lady of Fashion was delighted to find a dragon's mouth, which belongs to the orchid family. There were many of the dainty plants and the Cowboy offered to climb the 6-inch stem of a particularly pink blossom and cut it off for the Lady of Fashion. While he was hacking at the stem with his knife, a chestnut-sided warbler flew onto the limb of a young spruce tree near by. The bird stared at the Teenie Weenies and chirped as though it was trying to say something to them.

"That warbler bird all time wanta talk," said the Chinaman, who, in some strange way, seems to understand a great deal of what birds say. He walked up to a spot under the limb on which the bird sat and listened to its chirps. Finally he turned to the Teenie Weenies and said:

"This all time young bird we feed when he lost his mother one, two years ago. He been south for Winter. He say he glad to find us and he all time gonna build nest near us."

"Why do birds go south in the Winter?" asked the Lady of Fashion.

"To get food," answered the Doctor. "Most of them live on bugs and worms, and when it gets cold here there are no bugs and worms. So they fly to the warm South where they can get plenty of bugs."

"If there are plenty of bugs in the South, why don't the birds stay there instead of flying away back to the North?" said the Lady of Fashion.

"Well, I don't know exactly," said the Doctor. "But I suspect that they come north when the weather gets warm and bugs and worms become plentiful because there may be too many birds in the South. This warbler eats a great many ants."

"I think it would be nice to invite the warbler to the shoe house for lunch," suggested the Lady of Fashion. "Couldn't we find some ants for it?" she asked the Cook.

"There are plenty of ants about," answered the

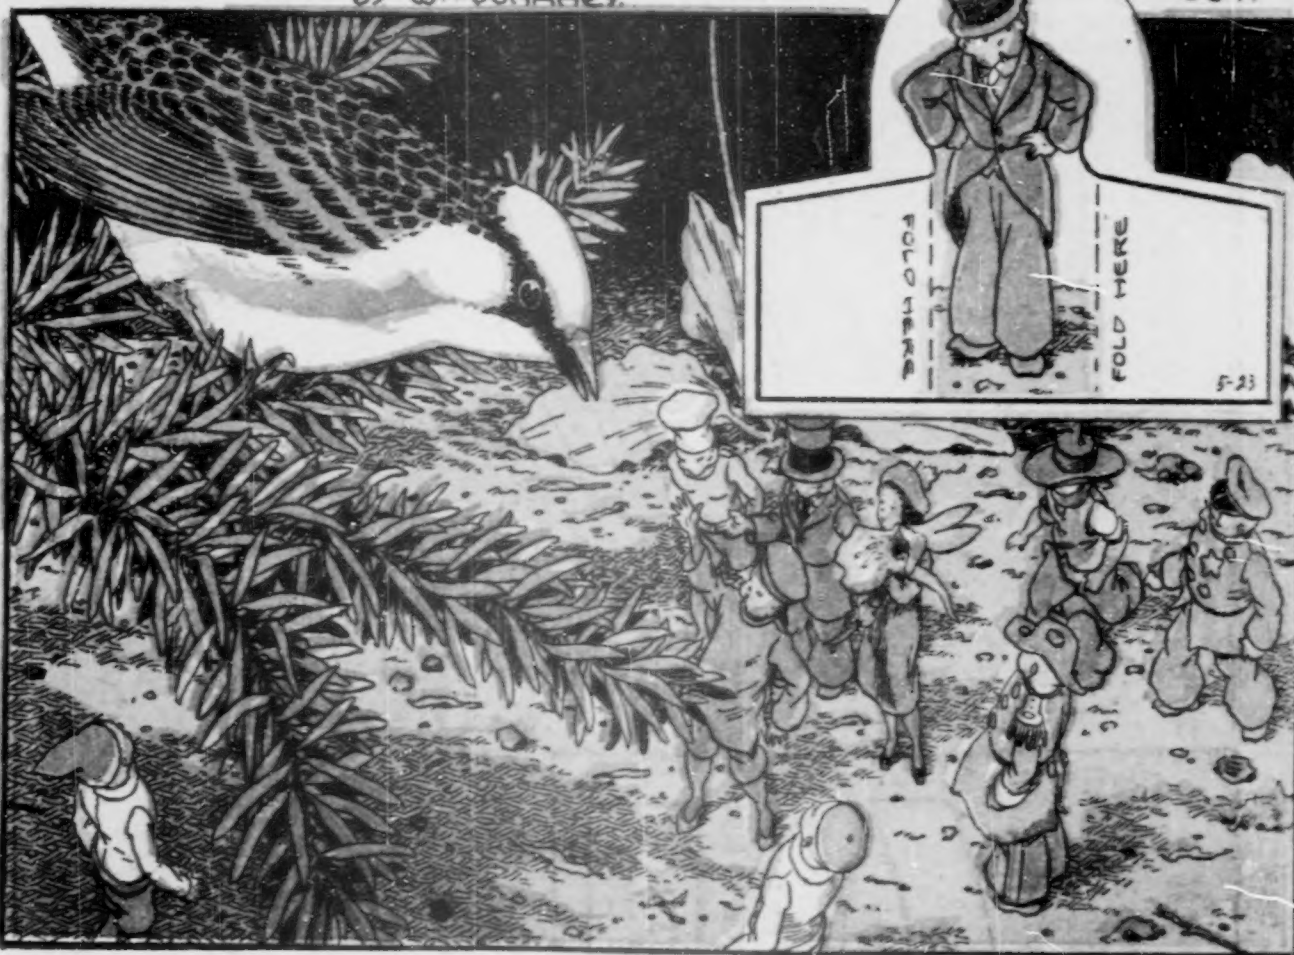

Cook, "but I never served any ants and I don't know just how you would cook them."

"You don't have to cook them," put in the Doctor. "Just show the warbler an ant hill and it will have a feast."

The Chinaman delivered the invitation and when the Teenie Weenies arrived at the shoe house they found the bird awaiting them. The Doctor showed the bird several ant hills and the warbler had a most satisfying lunch.

SUPERMAN

STOP THEM! FIRE!

UNWILLING TO RISK POSSIBLE DESTRUCTION FROM THE MARTIAN GAMMA RAY GUN, SUPERMAN SEIZES LOIS AND ATTEMPTS TO FLEE...

5-23 447

THAT WAS CLOSE!

SUPERMAN, I NEVER DREAMED THEY MIGHT HAVE A WEAPON POWERFUL ENOUGH TO DESTROY YOU!

I WOULDN'T WANT TO FIND OUT WITHOUT GETTING YOU TO A SAFE PLACE FIRST. THE BEST BET IS OUT IN THOSE MOUNTAINS SOMEWHERE.

I CAN'T EXPOSE YOU TO THE COSMIC RAYS OF INTERSTELLAR SPACE, SO I'M GOING TO LEAVE YOU HERE WHILE I TRY TO BORROW ONE OF THEIR ETHER-SPHERES TO TRANSPORT YOU SAFELY BACK TO EARTH. AND THEN—

—I INTEND TO RETURN AND SEE WHETHER I'M REALLY VULNERABLE TO THE MARTIANS' GAMMA WEAPON. BECAUSE THE WHOLE FATE OF THE EARTH DEPENDS ON IT!

OH—SUPERMAN! PLEASE BE CAREFUL!

MEANWHILE, BACK AT THE TRIUMVIR'S HEADQUARTERS...

WE MUST FIND THE EARTHLINGS! EVERY MARTIAN MUST HELP IN THE SEARCH!

WE SHALL HAVE TO GET GOBBIJ TO RELEASE ALL ETHER-SPHERES TO AID IN TRACKING THEM DOWN!

DID I HEAR YOU MENTION MY NAME?

YES—WE'LL HAVE TO COMMANDEER ALL YOUR ETHER-SPHERES. THE TWO EARTHLINGS HAVE ESCAPED!

I ALSO HEARD THAT THE MALE EARTHLING IS VERY HANDSOME. THAT'S WHY I'M HERE. I'M WILLING TO LET YOU HAVE THE ETHER-SPHERES TO FIND THEM—BUT ON ONE CONDITION!

NO CONDITIONS, GOBBIJ!

JUST BECAUSE YOUR FATHER, WHO WAS CHIEF TRIUMVIR BEFORE ME, GAVE YOU ABSOLUTE COMMAND OF THE ETHER-SPHERES—DON'T ABUSE YOUR POWERS. THIS IS AN EMERGENCY!

WHAT ABOUT MY EMERGENCY! ON ALL MARS, NO ONE WILL MARRY ME. SO WHY CAN'T I HAVE THE EARTH-MAN WHEN HE'S CAUGHT? AGREE—AND THE ETHER-SPHERES ARE YOURS!

ALL RIGHT, THEN. YOU WIN! THE MAN IS YOURS!

AT LAST! I'VE GOT ME A MAN!!
